Looking for different ways to motivate your staff?

Perhaps it's time to plan some team building

Activities

Team building activities are a great way for staff to bond, and it gives them (and you) the chance to get to know one another outside of the office. Set in 125 acres of parkland, we are the perfect venue for you to inspire and develop your team. We have eight historic rooms to select from inside the main building for your indoor tasks. You can then head out to our ancient woodlands and parkland for your outdoor activities.

Events team

Don't worry if you're not sure what activities will suit your team. Our Events Team will work with you to help engage your group in the right team building activities to help you achieve your team building objectives, bring your group together which will build a bonded, trusting team and will also boost morale.

Accommodation

We can also offer you two-star en suite campus accommodation should you wish to spread your activities over a day or two (or three). All our rooms have tea and coffee making facilities, towels, bed linen, free Wi-Fi, and, of course, access to our stunning grounds for evening walks or our Italian garden for some 'me' time.
